Youth Market Charge Account

Program

- The Co-op will allow qualifying students to open an interest free charge account to assist them in raising their market animal.
- Each student is allowed one account for the designated market animal of choice (steer, pig, or lamb).
- **A parent/guardian guarantor will be required on all charge accounts.**
- Approved charge accounts receive interest free financing on qualifying feed and show products.

Credit limits are as follows:

• Steer	\$1,000.00
• Pig	\$400.00
• Lamb	\$200.00

A monthly statement will be mailed to you too account for costs and purchases.

Charge Account Terms:

Payment is due as follows, whether the animal sells or not:

- Lamb account balances are due in full by **August 31st**.
- Steer & Swine account balances are due in full by **October 31th**.
- Finance charges will occur at 1.5% per month or 18% per year for past due accounts.
- Purchases will be limited to feed and products related to **4H/FFA market animals only**.
- Unpaid balances will be considered past due and subject to standard collection procedures.

Douglas County Farmer's Co-op is proud to have supported 4-H/FFA students for over 50 years, through the purchase of livestock at the Junior Market Auctions. We are putting your dollars to work within our community. We are pleased to continue this tradition now and in the future to support the youth in our community.

Please contact Kelli at our main office to inquire about signing up for a Youth Charge Account.

Ask about emailed invoices to track student purchases.
